

PRIMARY TRANSITION 2022

Everyone knows that with all new beginnings comes big change. Bigfoot's programme of inspiring projects help students of all ages to celebrate and explore their transition creatively with their peers.

“So much more than a workshop: it is the beginning of a conversation about one of the biggest steps children will make; conducted in a fun and engaging way.”

St Boniface RC Primary School

YEAR 6 TRANSITION

FROM HERE TO THERE (WORKSHOPS)

Students are invited to participate in a unique workshop that has been written in collaboration with our amazing Worry Wizard. Working with one of our trained 'Worry Wizard' educators, students will be encouraged to confront, discuss and challenge the emotional implications involved with 'moving on'. They will be supported to explore the anxieties and worries they have about starting Secondary school via a range of therapeutic exercises designed to support their mental health and wellbeing, as well as look towards celebrating the positive aspects associated with moving on, together.

BONUS: Each 'From Here To There' workshop will be provided with a FREE copy of our 'Upwards & Onwards' film to be downloaded and watched either before or after our visit.

COST: £375 plus VAT: (1- 3 Workshops)

PLEASE NOTE: All programmes are accompanied by an activity pack which includes information sheets, worksheets and pre & post workshop ideas to help make our visit completely sustainable.

UPWARDS AND ONWARDS (FILM & WORKSHOPS)

This 30 minute filmed performance of our 'popular' 'Upwards & Onwards' play is the ideal springboard to start or continue discussions surrounding the move from Primary to Secondary school. This hugely successful play, based on real life experiences, delves into the lives and minds of two students as they make the transition from Primary school. Starting the day with a humorous insight into the various concerns associated with moving on, our 'Upwards and Onwards' film is then followed by class workshops that aim to reassure students, alleviate fears and anxieties, as well as explore the many positive elements of transition. This really is the perfect opportunity to celebrate new beginnings in a positive and enjoyable way!

Our 'Upwards & Onwards' film can be accompanied by 1 x 3 hour, 2 x 2 hour, or 3 x 1 hour workshops, depending on your form entry.

COST: £320 plus VAT: (Film & 1-3 Workshops)

MEMORIES AND MOVING ON: YEAR 6 TRANSITION FILM

Leaving primary school is a huge event in any young person's life and Bigfoot believes that children should be given the opportunity to reflect on their journey. Exploring happiest memories, friendships, memorable teachers and hopes for the future; this forms the material for their very own transition film.

Created through interviews, dramatisations and writing, all the children are included in this special process that captures their journey. This provides the school with a ready-made show back for their leavers assembly and a potential gift for students to remember their school by!

COST: Full Day workshop including edit and digital copy of film **£425 plus VAT**

In the Rainbow clearing in the forest things are changing. The story tree wants to do something completely different; instead of collecting stories it wants to WRITE ITS' OWN. Everyone in the forest is worried about this. Especially Tara, she doesn't want everything to change, she's happy with life as it is! A story tree tale about change and its ups and downs.....
