BIGFOOT SOS

We at Bigfoot know and understand the pressures schools face regarding recent budget cuts and restraints; we are feeling them too. We are active supporters of the various 'Save our Schools' campaigns currently taking place across the country and are committed to doing what we can to help.

We have been working with schools to create a range of short term and cost effective solutions to staffing difficulties, allowing high quality creative teaching to remain at the heart of each and every school we work with. So whether it's a short term solution to staff sickness or maternity relief, PPA cover due to losing full time teaching staff, or classroom support for targeted students, we can help:

BIGFOOT
ARTS EDUCATION

Did you know? Several schools fund special days and events with us through kind donations from their PTA's or parent groups. Please forward our information so we can discuss how we can work directly with them to ensure that all children have access to a broad and creative curriculum.

PPA COVER AND RESIDENT SPECIALISTS

We have tweaked our normal 'PPA; Creative Residency' programme so that as well as providing high quality short and long term class cover for any year group with our creative specialists, we will also throw in an hours after school club too! Equipped with excellent curriculum knowledge, behaviour management strategies, and a flexible and friendly approach to working, we can help ensure that any loss of extra-curricular arts provision is made up for, at no extra cost, and that your students and staff feel supported both during and after the school day.

We are also happy to offer all schools the discounted rate of **£220 plus VAT per day** (comparative to our normal 'three term commitment' deal) throughout the academic year 2017/18

We are proud to be able to offer schools the following options:

- Drama Practitioner in Residence (inclusive of artists to teach MFL and PSHE)
- Musician in Residence
- Artist in Residence
- Dancer in Residence

ONE OFF TEACHER SUPPLY AND START OF TOPIC HOOK DAYS

Stunning starters, fabulous finishes or simply as a class treat... Bigfoot's 'Buzz Days' and 'Go Mantle' experiences utilise the expertise of a trained Bigfooter who will bring with them an imaginary kit bag of inspiring activities that will enthuse your students about a chosen topic or theme...and all based on the curriculum!

These 'Wow' days are designed to equip your students with the skills to investigate, discuss and practically explore any given topic creatively, with or without the class teacher present.

And with a one off offer for 2017/18 to book just 5 Hook Days and receive any others booked for the rest of the academic year for just **£215 plus VAT**, you can guarantee that your students can all benefit from the very best creative experience possible throughout the year, without breaking the bank!

CLASSROOM SUPPORT; TAS

We are happy to help schools fulfil a range of staffing needs, from providing teaching assistants, to staff needed for pupil intervention programmes. Our facilitators are equipped to provide one-to-one and small group tuition to positively impact pupil attainment for those with EAL, SEN or Gifted & Talented needs, as well as those students who may just need a little extra support within the classroom.

The essence of our 'classroom support' offer is straightforward so that our company values of understanding, quality and trust can help us to deliver an efficient, cost effective and valuable service to schools. We have, therefore, reduced our basic rate classroom support cost to **£185 plus VAT** per day throughout 2017/18 to fall in line with other agencies offering this service and help embed some creativity within your normal school day!

CURRICULUM ENRICHMENT PROGRAMMES

Our range of popular performance and / or workshop programmes are used to explore topics for a variety of events and weeks across the school calendar. These include Black History Month, World Book Day, Anti-bullying week, Internet Safety Day, Refugee Week and a wide range of PSHE issues. Many schools use us throughout the year as a focus for their celebrations, and for 2017/18 only we are offering schools that book four or more CE programmes across the year, a **FREE Big Steps Transition day** in the Summer term.
