

TRANSITION

Everyone knows that with all new beginnings comes big change. Therefore, Bigfoot have created a programme of inspiring projects that can help students celebrate their past experiences whilst exploring transition creatively with their peers.

SECONDARY TRANSITION

BIG STEPS (WORKSHOP)

Students will be invited to participate in a full day workshop with their class in order to confront, discuss and challenge the emotional, psychological and practical implications involved with 'moving on'. They will explore the anxieties and worries they have about starting Secondary school through a range of exercises and role-plays, as well as come up with a variety of solutions to problems they may encounter together.

Students will not only create their own origami paper boats in order to explore the 'cargo' they are looking forward to taking with them, as well as what they would like to leave behind, but they will also devise their own short play using the morning's issues to create scenes and images that demonstrate what starting Secondary School means to them.

** Please note that for larger schools, we can deliver a shorter 2 hour workshop for each class upon request.*

MOVING ON UP (PLAY)

Students will be invited to attend a one hour stimulating performance piece which delves into the lives and minds of two students as they make the move from Primary to Secondary school. Providing a humorous insight into the various concerns associated with moving on, as well as a variety of strategies to cope with it, Moving on Up presents the perfect opportunity to celebrate new beginnings in a positive and enjoyable way.

Why not invite other Year 6 students from neighbouring primary schools or past Year 6 students to participate in the workshops?

“

An alternative in to an established programme delivered by a new face is both refreshing and memorable for pupils. Calm, cool and considerate – brilliant!”

BP, Bude Junior School

TRANSITION FOR EYFS & KS1

LITTLE STEPS (WORKSHOPS)

We are also delighted to be able to offer schools the option of booking our 'Big Steps' workshops for younger students who are preparing themselves for the move between key stages. Using many of the same activities, but adapted for year 2 students, our facilitators will focus on the challenges they will face being in KS2 or 'Junior School', various new opportunities they will be able to enjoy being in Year 3, as well as some of the new responsibilities they will encounter in September.

EVERYTHING CHANGES... (GROUP STORYTELLING)

The Story Tree Stories are Bigfoot's collection of exciting, interactive early years programmes for foundation stage children.

In the Rainbow clearing in the forest things are changing. The story tree wants to do something completely different; instead of collecting stories it wants to WRITE ITS OWN. Everyone in the forest is worried about this. Especially Tara, she doesn't want everything to change, she's happy with life as it is!

A story tree tale about change and its ups and downs....

All programmes are accompanied by an activity pack which includes information sheets, worksheets and pre & post workshop ideas to help make our visit completely sustainable.
