

DRAMA GAMES & EXERCISE DAY

WITH CAROLINA GIAMMETTA-CORDES

Join Bigfoot Arts Education, the UK's largest provider of drama workshops for schools, on a one day drama game and exercise intensive workshop

Bigfoot's Drama Game day is a chance for drama workshop leaders to get together in a safe environment and try out new games and exercises and explore different ways to facilitate those classics that we all know and love! We will look at traditional, stock games and how best to facilitate them or give them a new spin, create brand new games from scratch, explore the different ways that existing games can be used to enhance different areas of the curriculum and also explore advanced facilitation techniques to ensure that you get the most out of each and every game!

All participants will receive a typed up hand-out of all of the games played on the day.

This day is perfect for any facilitator looking for new game and exercise inspiration or for anyone wishing to increase their repertoire of games.
