'The BIG Experience' invites KS1 & KS2 students to take part in an exciting large scale learning opportunity with their peers. Up to 120 students can participate in each 60 minute session whereby two Bigfooters in role will engage, enthral and educate them about all things literacy! 5 bX'k Jh 'HK C'i b]ei Yexperience cd]cbg for schools to choose from this year, there's something to suit everyone....

WOLF ON TRIAL

What really happened to the 3 Little Pigs?! Everybody thinks they know this age old story already, but has anyone ever stopped to hear what the Wolf has to say about what happened? Is he really as big and bad as they say, or is it all just a case of porky pies? Come and explore with us 'The True Story of the Three Little Pigs', an imaginative book by Jon Scieszka.

You are invited for 'Jury Service' for the trial of Alexander T Wolf. Meet Judge Chief as she unpicks the evidence with some help from the pigs themselves, the police, as well as CCTV footage. Hear straight from the horse's (well, the Wolf's!) mouth, his version of events, before you are left to decide; is he guilty or not guilty?!

GOLDILOCKS ON TRIAL

Following the success of Wolf on Trial, you are invited into Judge Knowitall's Court Room to hear the case against Goldilocks as she is charged with trespassing, theft and criminal damage at the home of The Three Bears.

Is Goldilocks really as sweet and innocent as she seems? Should she be punished for her lawbreaking behaviour? Unpick the evidence and listen to both sides of the story before you decide the verdict. Her fate is in your hands!
