

DONE IN A DAY!

Bigfoot believes that a child's learning can be invaluablely enhanced by creativity. At a time when teachers are stretched and expectations are high, the joy of 'make believe', imaginative play, and working together to have fun and create something brilliant, can be hard to find. Bigfoot have been visiting schools with their 'Play in a Day' programme for well over a decade, and at a cost of just £3.54 per pupil*, it is an affordable way of giving children an amazing opportunity to create, share and perform, all whilst enhancing the curriculum and boosting self-confidence and self-esteem.

We are delighted to provide schools with a broad offer of Drama, Dance, Music and Art options, all of which can be 'Done in a Day! Our facilitators are professional arts educators who are trained, vetted and monitored to ensure that children have the maximum opportunity in the least amount of time. Perfect for an end of term treat, 'Arts Week' or summer holiday projects.

**Based on 120 pupils participating during one day*

HOW DO WE DO IT IN A DAY?

We can work with up to four classes throughout the course of a day, with each class participating in a 60 minute workshop in which they will devise, dance, sing or make a piece of art work together. All of the groups will work on a different part of the same story, dance, song or piece of art which they will put together at the end of the day for a 'playback' session. Schools may wish to invite parents or other classes to the playback, or alternatively they may prefer to film the end pieces.

WHAT CAN BE DONE IN A DAY?

DRAMA

This is an excellent opportunity for the whole school or year group to enjoy a group storytelling experience by exploring a variety of characters, locations and plots to create a unique piece of devised theatre. Each workshop group will be responsible for physically creating the beginning, middle or end of the overall story.

Texts include:

- The Gruffalo - Years YR, 1 & 2
- Mr Big- Years 1-4
- George's Marvellous Medicine Years 2 – 6
- The Iron Man Years 4 – 6
- Bespoke options available

DANCE

Groups will work on a chosen piece of music and dance style, exploring order of movements, dynamics, tempo, direction and formations. They will create their own choreography and share their dance at the end of day. Dance styles can include street dance, contemporary, carnival and African.

MUSIC

A singing school is a happy school! Singing is a wonderful vehicle for children to express themselves, enjoy music and to control breathing. During the workshops classes will either explore a chosen song, or create their own song lyrics, which will be performed at the end of the day.

ART

Our art workshops are a brilliant opportunity for children to make a piece of work together which can be displayed for the whole school to enjoy. Each class will work on a section of a mural, based on a chosen theme, which can be put together to make a whole piece. Instead of a playback session, a selected group of students can work with the facilitator to create the mural or, alternatively, the children can show their work in the playback session and the mural can be put together following our visit. w

Cost: £395 plus VAT for standard options / £495 plus VAT for bespoke options

Costs include provision of all props, instruments, music and art materials.

AMAZING THINGS CAN BE 'DONE IN A DAY'!

A fun and inspirational day which can be used to accompany/enhance literacy work. We used it as part of our talk for writing sequence - developing characterisation. It has had a very positive impact on pupil achievement! **Stanway Primary School**

It was well worth the money and the teacher was very knowledgeable. She had a good relationship with the students and she taught them a lot. I can't wait to book her again! **Alperton Community School**

Well planned activities that matched the age of all children. Enthusiastic staff with excellent behaviour management skills. Children absolutely loved it, as did the parents who came to watch! **Corbridge First School**
