

# The BIG Debate

Getting KS3 & KS4 students *engaged, active and excited* about important key issues...

The **BIG Debate** is a totally unique and exciting learning experience that actively engages KS3 and KS4 students in important PSHCE topics.

By posing questions and introducing them to the concept of debating, young people will explore experiences, opinions and factual evidence to inform their arguments. Placing a strong emphasis on citizenship, 'This house believes that' statements will require students to sensitively consider evidence that they have seen and heard presented via playscript, real life interviews and statistics.

With a variety of topics available to for schools to book, our Bigfooters will facilitate powerful discussions that help your students delve deeper than ever before so that they all understand the responsibility we have to create safe and respectful communities together.

## AVAILABLE DEBATE TOPICS
