

# TRANSITION 2024

Everyone knows that with all new beginnings comes big change. Bigfoot's range of inspiring workshops aims to help students of all ages to explore and celebrate transition creatively with their peers.

*"So much more than a workshop: it is the beginning of a conversation about one of the biggest steps children will make; conducted in a fun and engaging way."*

## YEAR 6 TRANSITION

### BIG STEPS (ASSEMBLY & WORKSHOPS)

Big Steps invites students to start the day by participating in a Bigfooter led assembly; the ideal springboard to start discussions surrounding the move from Primary to Secondary school.

After having been given a humorous insight into the various concerns associated with moving on, the assembly is followed by workshops that aim to reassure students, alleviate fears and anxieties, as well as explore the many positive elements of transition. This hugely successful formula of assembly + drama workshop really is the perfect opportunity to celebrate new beginnings in a positive and enjoyable way!

**COST: £495 plus VAT** (45 minute assembly & 4 x 60 minute/ 3 x 90 minute/ 2 x 120 minute/ 1 x 180 minute workshops)

**\*\*\*All programmes are accompanied by an activity pack which includes information sheets and pre & post workshop activities to help make our visit completely sustainable\*\*\***

### TRANSITION; PLAY IN A DAY (WORKSHOPS & SHARING)

This unique workshop gives your students the opportunity to take part in a group storytelling experience in order to create a unique piece of devised theatre based on transition... in just one day!

Beginning each session with an exploration into the themes associated with moving on from Primary to Secondary school, groups will investigate both the challenges and highlights of starting afresh. They will then use this information as a stimulus for creating the beginning, middle or end of an overall 'transition' story that documents their own thoughts and anxieties about new beginnings, as well as celebrating their time at Primary school and hopes for the future in KS3. .

Finally, all groups are invited back together at the end of the school day in order to share their stories with their peers and/or parents and guardians, all assisted by our Bigfoot facilitator.

**COST: £495 plus VAT** (3 x 90 minute OR 2 x 120 minute workshops & 30 minute 'sharing')

## TRANSITION FOR THE WHOLE SCHOOL...

### EVERYTHING CHANGES (EYFS STORYTELLING)

The Story Tree Stories are Bigfoot's collection of exciting, interactive early years programmes for foundation stage children...

In the Rainbow clearing in the forest things are changing. The story tree wants to do something completely different; instead of collecting stories it wants to WRITE ITS' OWN. Everyone in the forest is worried about this. Especially Tara, she doesn't want everything to change, happy with life as it is! This is a story tree tale about change and its ups and downs...
