### Our Bigfooters can deliver ALL of the following as part of their residency in your school:

- Whole class teacher cover; Bigfoot are proud to have developed a unique and robust drama and music curriculum that can easily adapt to the core aims and outcomes of any existing school curriculum. Similarly, our dancers and visual artists will use their skills to complement and enhance the work of each individual school and class with whom they work.
- Small group workshops with SEN, EAL, FSM, or Gifted & Talented students; these sessions would be in place of 'whole class teacher cover' in order to give targeted students extra support and focused creative learning opportunities.
- School assemblies; at least two per term and with advance notice. These assemblies can be based on any given theme or topic and will be carried out with the assistance of your students
- Teacher Twilight INSETs; once per term to educate the core school staff team about our work in your school, as well as to pass on some transferable skills that the school's teachers and TAs can utilise in the classroom.
- Whole school event leadership; school productions, seasonal plays, installations, open days, assemblies, celebrations, school trips...you name it and we'll be there to help!

### Schools can also select for their creative resident to deliver ONE of the following:

- Breakfast Activity Club (30 minutes per week)
- Lunch Time Club (30 minutes per week)
- After School Club (45 minutes per week)

### Finally, schools can also opt for the following 'extras' as part of their residency experience at an additional cost:
