

Party at the Palace **2**

An event fit for the King

AVAILABLE DATES: Tuesday 2nd May – Friday 12th May

Puck needs your help! It's one of the biggest celebrations in the history of Windsor Castle- The King's Coronation. And, after the success of the Queen's Jubilee at Buckingham Palace last year, the pressure is on to deliver an even bigger and better Royal event! Can your students work with our prestigious party planner to sing, dance and devise their way to getting everything ready for the big day?

Working with one of Bigfoot's educators-in-role, students will assist them with creating the perfect party for King Charles; from deciding a theme based on his many talents and hobbies, to creating a magnificent menu. Your school's creative genius is needed to help Puck bring the whole coronation extravaganza to life!

(up to 5 x 1 hour workshops per day for KS1 & KS2*)

*30 minute workshops can be booked for 'reception' classes

To make a booking contact Bigfoot on:
