

# CREATIVE BURST CLUBS

Host a Creative Burst Club at your school and help us provide high quality, yet affordable activities for your children over the school holidays.

Bigfoot Arts Education is much known for its transformative creative education programmes that take place in school. But did you also know that Bigfoot have also been delivering holiday courses for children for over 20 years!

Bigfoot is aware of the disparity that exists with aspirational performing arts style courses run in the community. The average cost of £65 for 3 hours of provision will prohibit access to most families during a cost of living crises. With our Creative Burst courses Bigfoot want to provide creative learning experiences for children over the holiday periods at affordable prices, enabling provision to be more accessible.

## WHAT IS A CREATIVE BURST CLUB?

A Creative Burst Club is always active, never passive, and 100% transformative. We will....

- Provide a safe space where children can be themselves.
- Make our provision fun, engaging and challenging for all.
- Help children learn new skills.
- Provide a friendly, caring and nurturing environment that fosters the development of communication and cooperation.
- Focus on enabling children to work on their personal development and mental health & wellbeing.

Each course is operated by our specialist trained Bigfoot arts educators who will deliver high energy, engaging, creative activities that incorporate an integrated course of performing arts and art-based activities. Each day will focus on a new set of skills and activities.

A course can run from a day to 5 days in length and caters for children between 6 and 12 years of age.

Courses are designed to be inclusive, with a ratio of 3 staff to up to a maximum 30 children on each course.
