

BIGFOOT WALES DCF PROGRAMMES ACW 'HAVE A GO' FUNDING AVAILABLE*!

**PLEASE SEE BELOW FOR MORE INFORMATION*

ANIMATION WORKSHOPS: YEARS 2-6

COST: £365 & VAT PER DAY

Our Animation workshops are hugely popular, and they cover so many skills. Animation is a fantastic tool for reinforcing curriculum topics or bringing to life stories and poetry. Working in small groups, pupils will have the opportunity to create models with plasticine or Lego or choose to animate any other objects from their favourite toys to their school bags and lunchboxes.

The class will be introduced to the simple process of animation using stop motion studio, before they build their little studios, with backdrop and models, and let their imaginations run free, as they develop Storytelling, ICT, Art, Music and Oracy skills. We normally work with one class per day, working with approximately 30 children per workshop.

We always get such lovely feedback from children and staff who participate in this programme. For the last 4 years, we have delivered an animation project at Whitchurch Primary, Cardiff, which included 3 x days of workshops with 3 x Year 3 classes. This is what they said:

"The children were so excited by the completed video and the parents were so pleased! Excellent feedback all around. Our head teacher was blown away and said it was the best one yet! Thank you so so much again" Miss Peachey, Whitchurch Primary School

FILM MAKING - EDITED FILM KS2

COST: £495 & VAT PER DAY

Schools can book an experienced and professional filmmaker to turn groups of children into young filmmakers as they work collaboratively as part of a 'production team' to learn the many skills of filmmaking.

The children will also learn how to use Green Screen special effects in order to provide pupils and staff the opportunity to learn how to use these skills to enhance their digital productions.

ADDITIONAL EDITING DAY

COST: £350 & VAT PER DAY

Book a second day for KS2 pupils to develop their editing skills using Macs or iPads to put together their own unique films*.

**One class would work in small groups throughout the day.*

YEAR 6 LEAVERS FILM

COST: £465 & VAT PER DAY

During the Summer term, we are offering Year 6 pupils the opportunity to create a film based on their memories of primary school. The film would be perfect for a leaver's assembly and make a wonderful gift for pupils to take away with them at the end of term.

The cost includes a day of filming as well as a final edited film. A link to the film will be provided to the school, which can then be securely shared with parents and guardians.

*****APPLY NOW*****

ARTS COUNCIL OF WALES 'HAVE A GO' FUNDING IS AVAILABLE TO SCHOOLS

Several schools have secured Arts Council of Wales funding to pay for these workshops. You can apply for up to £1,500. Therefore, you could potentially book a range of DCF programmes, to work with different classes so more children can experience these fantastic workshops.

The funding is called 'Have a go'. Please press [HERE](#) to start your application.

PLEASE NOTE: Funding is not applicable to the 'Year 6 Leavers Film'.

For more information about the above programmes, complete an online enquiry form [HERE](#) or contact Jo White at 07723 301 284 or wales@bigfootartseducation.co.uk
