

Errol's GARDEN

"I wish I could have a garden of my own, but all I see out there is concrete and pavement and more concrete..."

Bigfoot are delighted to partner with Golden Toad Theatre to help bring Gillian Hibbs' well-loved book to life for EYFS & KS1!

Errol loves gardening, but he doesn't have a proper garden. Although his home is full of beautiful plants, he longs for an outdoor space where he can grow things. A chance discovery leads to a solution, but Errol can't do everything on his own. Luckily, help is near at hand.

Bigfoot's creative workshops have been designed in celebration of Golden Toad's new musical version of 'Errol's Garden'. Schools have the option to book one of two workshops to help provide children with the perfect opportunity to explore how one small boy's dream of a garden can unite a diverse community. A heart warming tale that is retold using imagination, music, and play, giving students a positive and enriching learning experience.

PLEASE NOTE: Workshops can be delivered before, after or in isolation of Golden Toad's Theatre show.

What teachers are saying :

"The children loved getting to experience this workshop and had so much fun learning the moves and acting along with the wonderful facilitators. It linked beautifully to our current science topic in Year 1 and was a great cross-curricular link that both the children (and the teachers!) enjoyed. I would highly recommend this experience to others schools! (Miss Hann, Year 1 Lead, West Hove Infant School)
